Dear Parents of P4 Pupils,

2018 P4 SEMESTER ONE CURRICULUM AND ASSESSMENT PLAN

(1) Semester One Assessment Plan

The P4 Assessment Structure in 2018 is as follows:

Semester	Semester One (Terms I and II)	Semester Two (Terms III and IV)
Weighting	40%	60%

The P4 Assessment Plan for Term I and II is appended.

(2) Attendance on Assessment Days

All pupils are expected to attend school on a daily basis. Pupils are to be punctual for school, all lessons and all activities. Pupils who are absent from school owing to illness are to present a Medical Certificate issued by a doctor.

On Assessment Days, we seek your understanding and cooperation in the implementation of the following guidelines:

- Our pupils' health and wellness are our top priority. A pupil who is ill should not be in school for assessments. He/She should see a doctor and rest at home for the full duration stated in the Medical Certificate (MC).
- If a pupil has fever or is visibly unwell in school, he/she will not be allowed to sit the assessment and his/her parents will be contacted to take him/her home.
- If a pupil is absent for an assessment because of illness (e.g. fever, flu, headache, stomachache and diarrhoea), he/she needs to submit a Medical Certificate (MC). With the MC, the pupil will not get a '0' for the assessment and his/her overall marks will be pro-rated accordingly.
- If a pupil is absent for an assessment for reasons other than illness, he/she is expected to produce the relevant documents.
- There will be no make-up or resit for Listening Comprehension and Written papers.
- For Oral assessment, resit can be arranged but must be done within the next 3 school days.

(3) Homework Policy

The 2018 Homework Policy is enclosed with this letter. It can also be viewed from the school website.

(4) Academic Support Lessons for Selected P4 Pupils

We seek to provide academic support for selected pupils who will benefit from additional time and attention to better progress in their learning. The academic support lessons in English Language, Mathematics, Science and Mother Tongue for selected P4 pupils will commence in Term I Week 4. A separate letter on the schedule has been issued to the selected pupils.

(5) Academic Enrichment Modules for Selected P4 Pupils

The school will be conducting academic enrichment modules for selected P4 pupils to broaden and deepen their learning of an academic subject. An example is the Comics Writing module which engages pupils in using the Chinese Language at a higher and more challenging level. For each module, a separate letter will be issued to the parents of selected P4 pupils.
